Re: Clarification on Required Brochures

The Indiana Housing and Community Development Authority, by request, would like to further clarify the brochures that are required to be distributed to all beneficiaries of the IHCDA HOME Owner Occupied Rehabilitation program.

Households that receive assistance under either a HOME funded owner occupied rehabilitation award or an IHCDA funded owner occupied rehabilitation award must receive three brochures. Documentation of the receipt of the brochures should be maintained in the project files for monitoring purposes.

The three required brochures and the web addresses to download or order copies are:
